

Getting items from Hoopla Via Clark County Public Library on Apple Devices

1. Go to App Store.

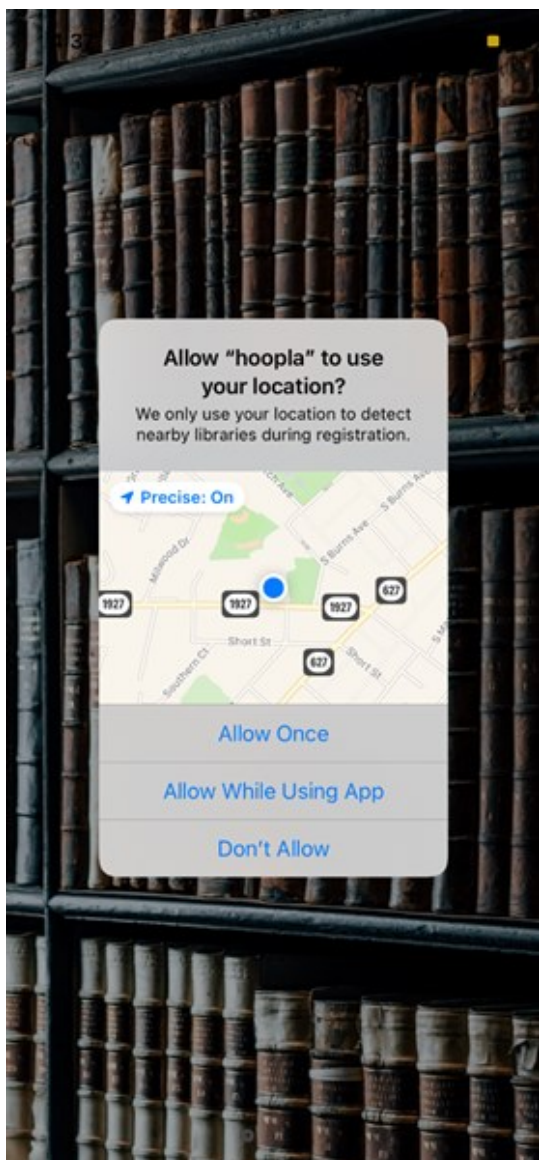

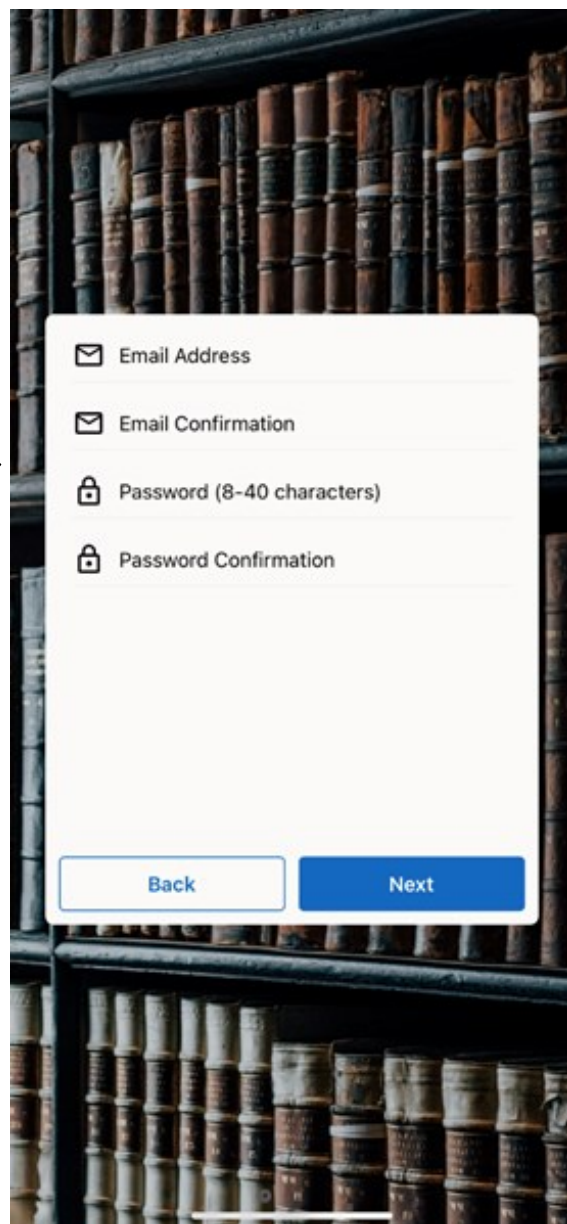

2. Download Hoopla Digital.

3. Open Hoopla.

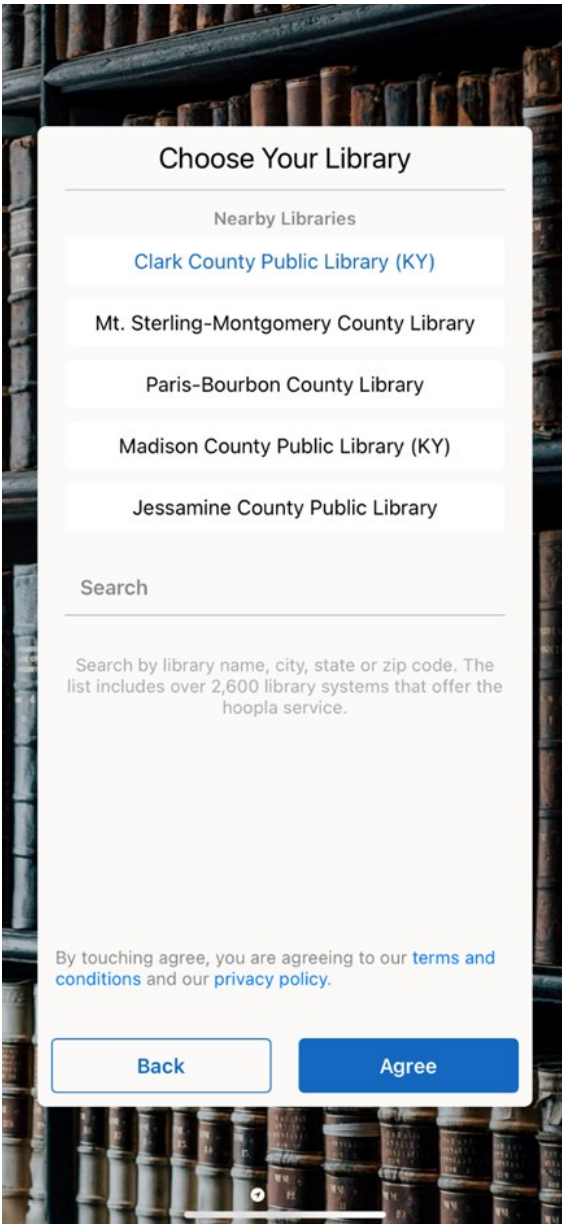

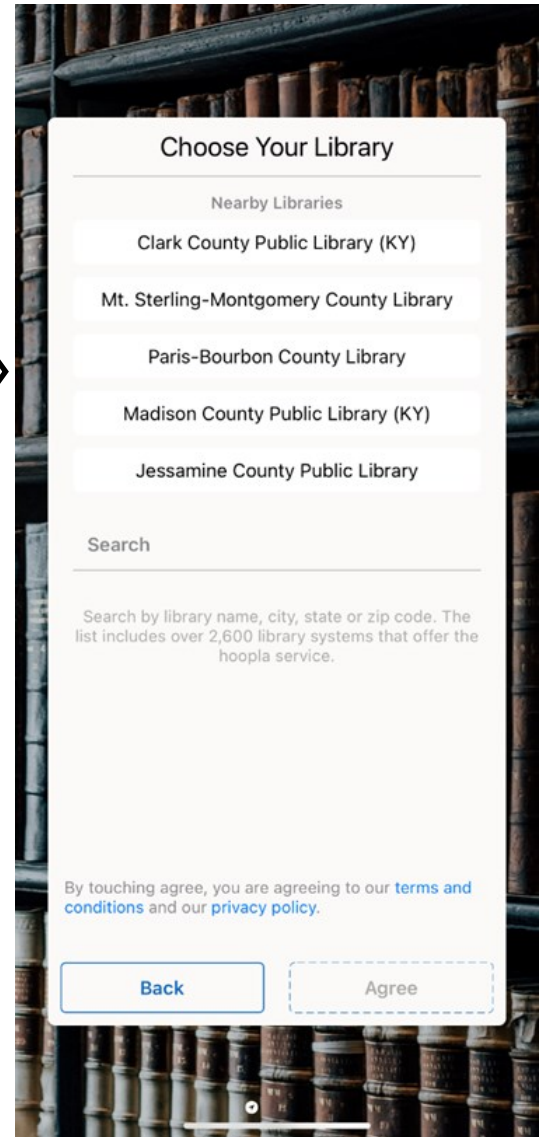

4. Select "Don't have an account? Sign Up"

5. Fill out the information in each field and select the Next button.

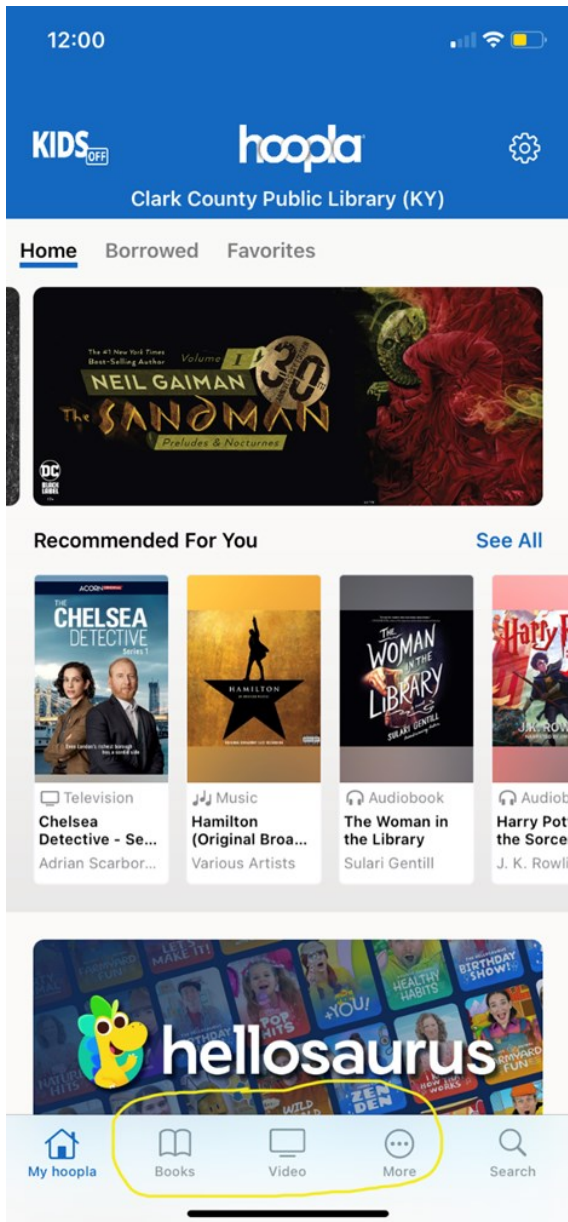

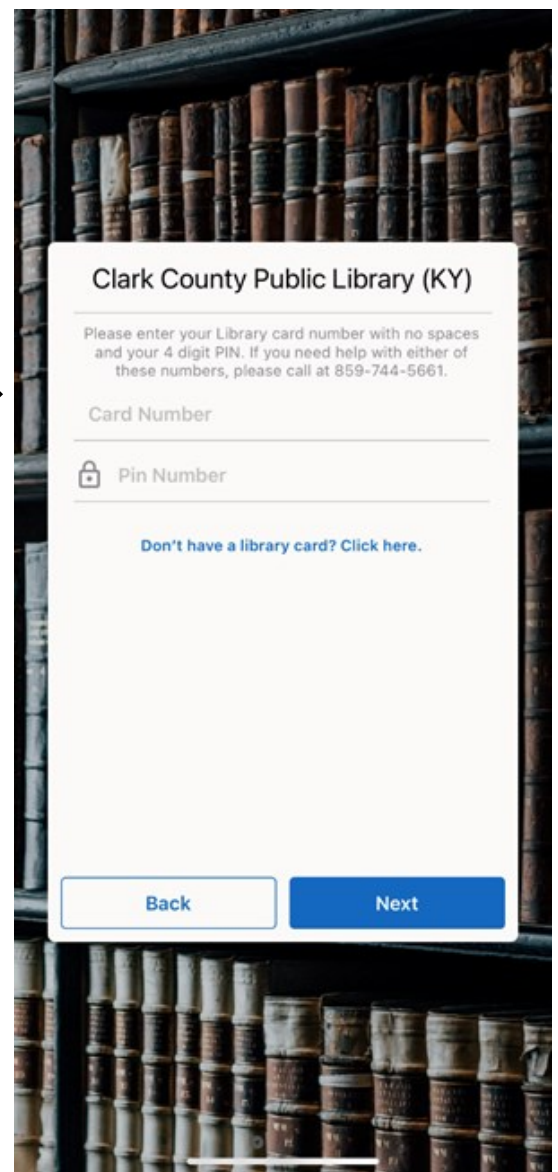

6. Next you will see this screen, you can choose to either let the app use your location or not, it is up to you.

7. If you chose to allow location, “Clark County Public Library (KY)” should be the first choice. If it is not displayed at the top of the screen, search “Clark County Public Library (KY)” in the search bar.

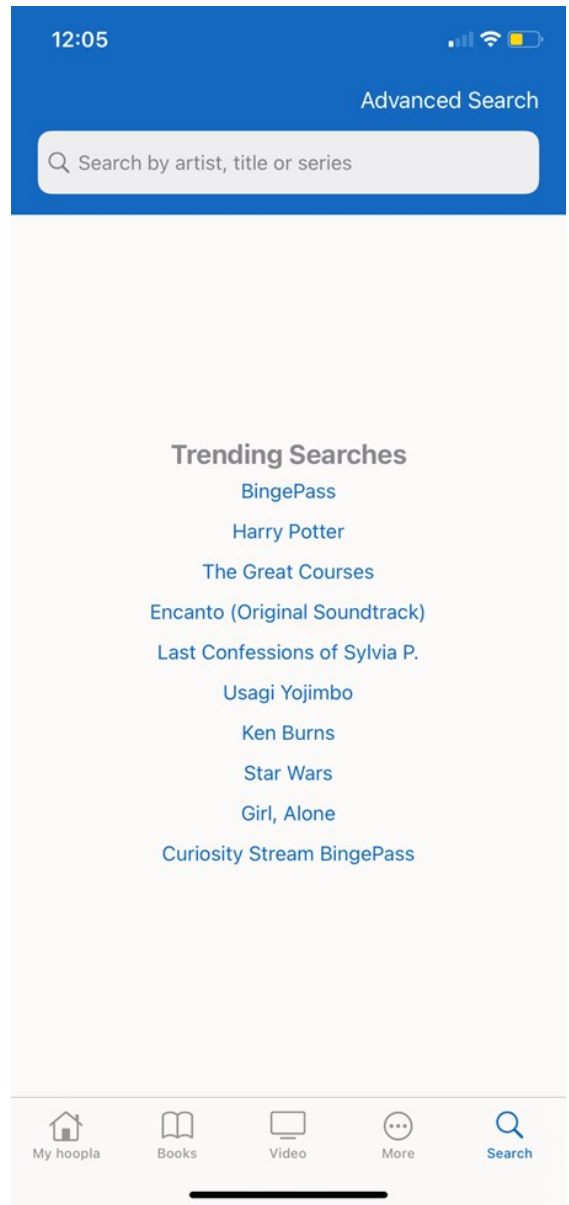

8. Once you have selected “Clark County Public Library (KY)” and it is highlighted in blue, select “Agree”

9. Enter your library “Card Number” and “Pin Number” and select “Next”.

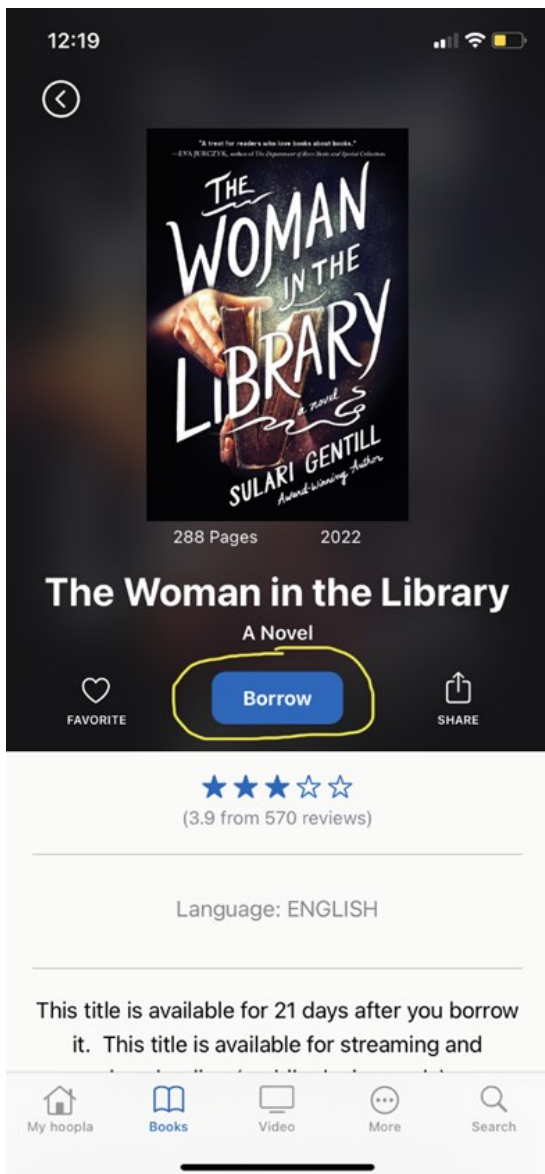

10. You are now logged in! The main screen will allow you to browse what is available, or you can select a specific type of media to browse at the bottom (books, audiobooks, movies, etc.)

11. Alternatively, you can search for a specific title using the search function.

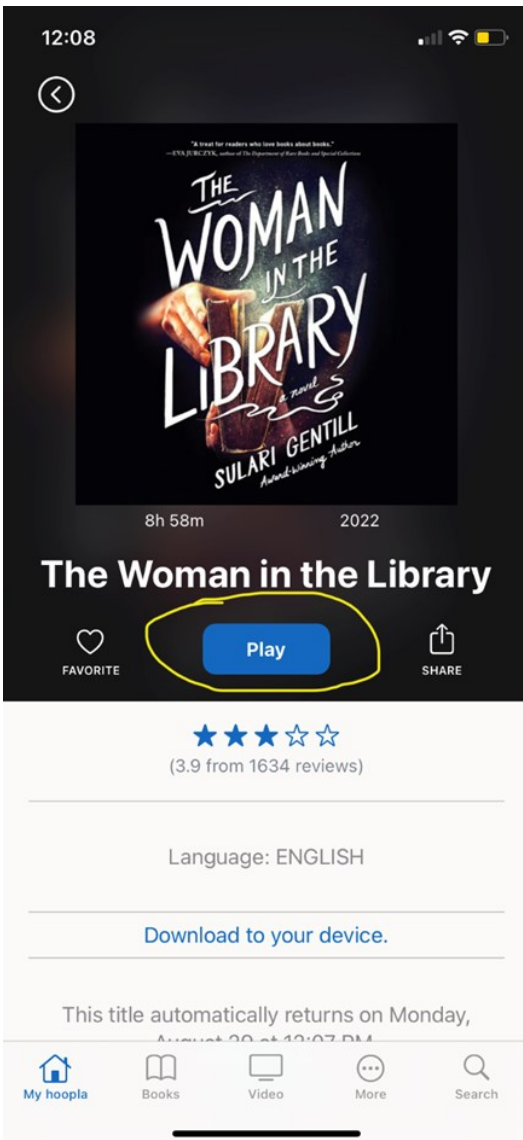

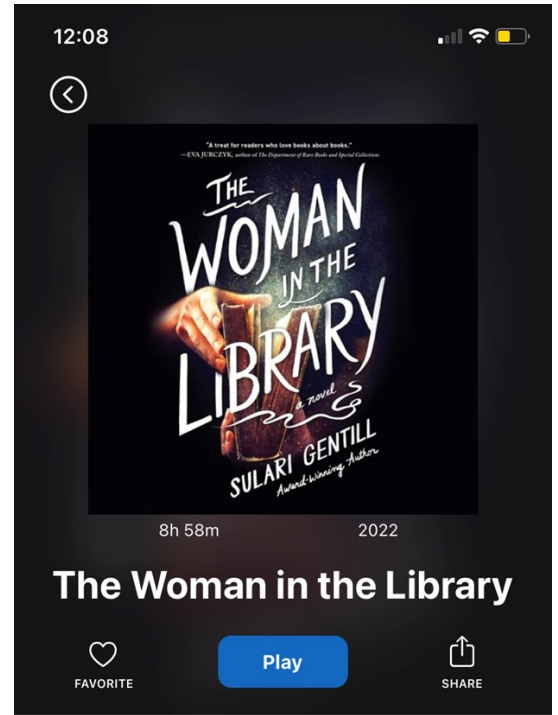

12. Once you have found an item you want to borrow, select in and click the borrow button.

Each item will checkout for 21 days and will return itself when that time is up. If you did not finish it in that time, simply check it out again and it will remember where you were in the book!

13. If you would like to download the item you borrowed, select the "Download to your device" button.

14. Once the item has downloaded, select "Play" or "Read" to access the item. Enjoy!
